

## Trainer Biography

Simon Brown

Courses delivered for RICS Executive Education  
The International Certificate in Leadership for Property  
Development

### Experience/ Qualifications

Simon Brown is a Senior Analyst in the Central London research team, covering investment and occupier markets. He has over six years' experience in the UK real estate industry. With responsibility for much of the output of the Central London research team, he is the author of CBRE's flagship Central London MarketView publication. Simon assists on a number of core CBRE client accounts, including Blackstone, Canary Wharf Group and Hermes.

An experienced public speaker, Simon regularly presents to a wide range of audiences on the subject of the Central London office market.

In addition to his regular duties, Simon plays an active part in the wider CBRE life, volunteering for several charity initiatives and assisting in the graduate recruitment process.

Prior to joining CBRE in 2011, Simon was an Assistant Asset Manager at Town Centre Securities, a UK REIT.
